Gas Cylinder Storage Cabinets

Product Overview

Trafalgar is a long established and privately owned Australian company whose name is synonymous with the supply of hazardous chemical storage cabinets. Trafalgar has been making safety cabinets for over 50 years and will continue to do so into the future. We are proud to be fighting hard to keep manufacturing alive in Australia and competing against cheap and inferior imported products. From our manufacturing plant in Sydney's west, Trafalgar's range of **Forklift Gas Cylinder Storage Cabinets** are all locally made and are available in two standard sizes. If you require a larger storage capacity cabinet call Trafalgar to discuss your requirements.
